CLIENT EXPORT WORKSHEET

FOR USE WHEN **ETS** WILL BE GENERATING **VI1** FORMS

List name and shipment amount of **each** wine type **and** bottle size to be exported:

1	# of cases to be exported	Bottles per case	Volume (size) of bottles
2.	# of cases to be exported	Bottles per case	Volume (size) of bottles
3.	# of cases to be exported	Bottles per case	Volume (size) of bottles
4.	# of cases to be exported	Bottles per case	Volume (size) of bottles

Name and address of winery (The Exporter):
Must match the physical address in TTB records for your Bond or Permit number.

Name and address of consignee (The Importer):
Do not use a P.O. Box number alone.
The TTB requires a street address.

Exporter's ATF number: BW- - . (The exporter must be a bonded winery or permit wholesaler)

For Standard VI1's: ETS will **Fed Ex** completed forms to TTB for approval. In addition to a signed Attachment III for each wine to be exported, we will also need your Fed Ex #.

⊕ If you have had VI1 Forms produced elsewhere this year: Please provide the last used Serial Number
